Ascension Complete

Ascension Complete, in partnership with CVS®, gives members a fixed dollar amount they can use to stock up on over-the-counter (OTC) items. It's a quick, easy way for members to get brand name and generic OTC items like bandages, pain relievers, cold medicine, toothpaste, vitamins, and much more.

Members can easily get their OTC items delivered to their home or in-store:

Browse our paper and online catalogs and then call us or place an order online (Members may need to register their first time visiting the site).
